- ✕ PARKING LOTS

Prince Charles arises in the premises of Bechstein piano manufactory's former employee swimming pool. It's located at the creative hub around Moritzplatz. Whether classic party nights, showcasing your product, creating a special dinner with an after party or shooting in an urban environment: the symbiosis of a creative open space and club offers the ideal setting for your Kreuzberger nights.
And for those who prefer daytime: we're also offering this space for conferences, exhibitions and workshops.
